First of all, we to thank you for a job well done. The work you did and results you provided went far beyond any expectation we had.

We are very impressed with your work and the professionalism you have shown in helping us to purchase the **Mercantile Insurance Building, located at Damai Kompleks Kuala Lumpur.**

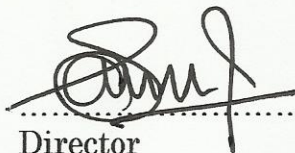

Your persistent and close follow-up have transformed a good deal into a great deal. Gen Assets Sdn Bhd has set out on our quest to increase our presence in the property sector.

Your vision to convert the building into Hotel has also materialized and Hotel project is in progress.
